Dear Members,

As you all know by now, the new board was voted in on Sunday, March 3rd. We have a huge job ahead which will require as many general members who might have never come forward before, to step up to the plate now. We would also very much appreciate a timely membership payment in order to move as quickly as possible to effectively get our beach and related repairs done.

It is the board's opinion that we establish a "Skills Bank" for the purpose of bringing all of our talents into one place. If each of you thinks you can donate 1 hour/month or 12 hours during summer months, we want and need you!! (More or less hours are up to you). Below is a list of possible areas of interest to you. If you have skills related to that area, please sign up with your particular skills where it's obvious that skills are necessary and the # of hours you wish to donate and contact information. If you can donate your "unskilled" labor, please indicate the area of interest to you with # of hours. If there are other areas and skills which need our attention for which you have the time, please provide that to us in the "other" category. You will be contacted when/ if your skills will be needed. We hope this will include many more members than ever before and provide an opportunity to get to know each other while at the same time making an incredibly positive contribution to your neighborhood.

Simply copy and paste this email and type your preferences where you would like along with # hours donated and send back to Brian at bsms10@aol.com or Maureen at mok11778@optonline.net.

Thanks from the NSBPOA Board
