NOTICE TO MEMBERS

Security locks will be changed in January, new keys and tags will be available January 1, 2014.

When using the beach you must have your tag and key and your parking pass affixed to your vehicle. Please lock parking lot gates and beach entrances behind you as you enter and exit when guards are not on duty.

Splitting/Tag Along Policy: Members should not be allowing non-members to use tags under their name/ household if they reside in separate households in Rocky Point or are not accompanied by a member as a guest. A Rocky Point resident should not be regularly tagging along and paying "Guest Pass" rates in order to avoid paying for a membership, if caught you will face revocation or suspension of your membership. The cost of a second membership will then be charged against both parties for the following season and will be due before receiving another membership.

This membership is for the sole use of the applicant. **Memberships are not to be shared between households.**

I have read the rules and regulations of NSBPOA and agree to abide by them.
