January 2024

Dear Rocky Point Retiree:

Welcome to 2024! It is that time of year when we ask you to join our local retiree organization. If you are receiving this retiree email/letter for the first time, let us explain. As retirees, we are part of the regional NYSUT Retirement Council 22 (RC22). Each year, NYSUT collects \$5 from each retiree in order for the retiree to remain a member in good standing. By joining, it will keep you connected to your NYSUT member benefits. **This \$5 is never used by RC22 to fund any political lobby.**

In addition to the \$5, the Rocky Point Retiree Association also collects \$20 every year from each Rocky Point retiree. This money goes toward the two, \$1,000 scholarships the Association awards each June as well as other minor expenses such as petty cash for the four school nurses' offices, stamps, stationary, etc. **That makes the total for each retiree \$25 for the year.**

To join and/or continue your membership, please send us your \$25 check made payable to **ROCKY POINT RETIREES**. The dues can be sent to Kenneth Krapf, Treasurer, at his home address listed below. Our hope is to receive all dues by the end of March 2024.

**Optional Donation:** We are again collecting donations for three local food pantries (Trinity Lutheran, St. Anthony's, and St. Louis de Montfort). Ken will be purchasing Stop & Shop gift cards and distributing them equally among the three. Jean, Susan and Virginia, who run the food pantries, all told the Retirees group that the gift cards are always greatly appreciated. Since the dues will be collected over the next two months or so, March 2024 will be the month our collection for the food pantries will be distributed. Any donation amount can simply be added to your dues check.

Look for more Retiree news in the weeks/months to come via email and also visit us on the web at [www.rockypointretirees.org](http://www.rockypointretirees.org).

Sincerely,

Susan Wilson, President
